

# ROLL THE DICE MOVIE QUOTE OR SONG - OFF

Take inspiration from Eileen Boone's custom art or use our blank template to make your own die.

## HOW TO PLAY

Take turns rolling the die and share a movie quote or song on the fly! Hurry before your time runs out. *Last one still quoting/singing, WINS!*

A specific movie quote or song may only be shared one time during game play and must be finished before the timer is up.

**\*\* BEFORE STARTING THE GAME:** Determine the length of your timer.
